

IDIS Certificate

We herewith certify that the equipment

AS3000 + AM540

manufactured by

Elster Honeywell

is compliant to the IDIS specifications for package 2.

The equipment supports the following functions:

- Basic IDIS functionality
- Extension D Disconnection/reconnection
- Extension L Load management
- Extension M Multi-utility metering

The equipment was tested at DNV-GL and at the IDIS laboratories. All tests have been successfully passed and the equipment is granted the IDIS quality label

The logo for IDIS 2DLM, with 'IDIS' in a large, bold font and '2DLM' in a smaller font to its right. Below it, the registration number 'Reg No: 0053' is written.
Reg No: 0053

A detailed test report is available from www.idis-association.com under the registration number
Reg No: 0053.
