DLMS®

IDIS Profile Certificate

We herewith certify that the equipment

ST401D

manufactured by

Meter & Control d.o.o

is compliant to the IDIS specifications for package 2.

The equipment supports the following functions:

- Basic IDIS functionality

- Extension D   Disconnection/reconnection

- Extension L   Load management

- Extension M   Multi-Utility Metering

This administrative revision connects to prior information from the device. All tests have been previously passed and the equipment is granted the IDIS quality label

IDIS₂DLM
Reg No: 0052-3

A detailed test report is available from www.idis-association.com under the registration number **Reg No: 0052-3.**
